

THE REPUBLICAN.

WOMAN'S RIGHTS.

Is woman's right to take the field in virtue
holy cause,
Her right to claim on such a ground society's
applause,
Her right to love her native land, and for its
safety pray,
But not her right to mingle in the battle's
deadly fray,
She has the will, and power to fill,
Man's heart with pure delight;
She rules his soul with sweet control,
And this is woman's right.

Is woman's right to counsel man in sorrow's
crushing hour,
Her right to raise his sinking heart by love's
transcendent power,
Her right upon life's troubled sea the darkest
storm to brave,
But not her right to guide our ships upon the
ocean wave,
She has the will, and power to fill,
Man's heart with pure delight;
She rules his soul with sweet control,
And this is woman's right.

Is woman's right to call on him to cherish
and protect,
Her right to claim at every time his homage
and respect,
Her right to lecture and be heard within
domestic walls,
But not her right to speak aloud in Legisla-
tive Halls,
She has the will, and power to fill,
Man's heart with pure delight;
She rules his soul with sweet control,
And this is woman's right.

How to Avoid a bad Husband.

[Here is some good advice which any parent
would lay before his daughter, freely, though
guilty of all the crimes in the catalogue
himself.]

1. Never marry for wealth. A woman's
life consists not in the things she possesses
etc.
2. Never marry a top, or one who struts
about dandy-like, in his silk gloves and ruffles
with a silvered cane, and rings on his fingers
beware! there is a trap.
3. Never marry a niggard, a close-fisted,
mean, sordid wretch, who saves every penny,
or spends it grudgingly. Take care, lest he
stint you to death.
4. Never marry a stranger, or one whose
character is not known or tested. Some fe-
males jump right into the fire with their eyes
wide open.
5. Never marry a mope, or a drone, one
who drags and drangles through life, one
foot after another, and lets things take their
own course.
6. Never marry a man who treats his
mother or sister unkindly, or indifferently.
Such treatment is a sure indication of a mean
and wicked beast.
7. Never on any account, marry a gambler
or a profane person, one who in the least
lightly of God or religion. Such a man can
not make a good husband.
8. Never marry a clown, a man who is
negligent of his person, or his dress, and is
filthy in his habits. The external appearance
is an index to the heart.
9. Never marry a rake. Show him as you
would as a viper, a demon.
10. Finally, never marry a drunkard—one
whose breath is polluted, and whose vitals are
being gnawed out by alcohol. You are bet-
ter off alone, than with such a wreck of a
man for a husband.

Ruptures Cured!

Let all afflicted with Ruptures, read, heed
and be healed, or at least be made se-
cure from the horrors of Strangu-
lated Hernia, which security
can best be found in the
use of SHERMAN'S

New Patent Truss and justly celebrated

RUPTURE REMEDY.

OBSERVE the following extract from
Lawrence, an eminent English surgeon:
"The treatment of the Ruptures demands
from the different states in which their contents
exist, as great a combination of anatomical
skill, with experience and judgement, as that
of any disorders in surgery." Now, how few
think of this. What do they think of? Why
of getting a Truss; one that suits their fancy
their means, and as they think their Ruptures
will be cured of it, from its ill construction and
misapplied pressure, imparts serious injury;
consequently, the disease continues through
life, and frequently causes death.

HERE your at-
tention is called to
the out of Truss my
experience in Ruptures has led me to in-
vent, in order to overcome the objections of
every other in use. It is remarkable for
the ease and comfort with which it is worn
and the security it affords under the most
violent exercise. It is, also, immovable in
any position the body may be thrown in-
to—a consideration that should not be over-
looked.

IN my treatment
of Hernia I do not rely
solely on the effica-
cy of a Truss. Expe-
rience has taught me something more is re-
quired, and tedious experiments have enabled
me to discover the most powerful auxiliary
which, to guard against deception, I have
put up in quart bottles, with these words,
"J. A. Sherman's Rupture Remedy," blown in
glass. It at the instance of a celebrated sur-
geon, was analysed, and the following certifi-
cate given in its favor:

Certificate from Martin, the
Chemist.—"I have analyzed Sher-
man's Rupture Remedy, and find
it to contain valuable properties to
aid in curing ruptures."

Jas. MARTIN, Chemist.
New York, January 10th, 1851.

Mr. Sherman: Dear Sir—Last January, 1850,
I was in New Orleans, and observing your ad-
vertisement in the Delta, I called to see you
about fitting me with a truss, having previous-
ly used the different kinds sold in stores to no
purpose. They were a perfect source of annoy-
ance. My rupture yearly increased in
size, filling my suit with terrible forebodings,
for I had on one occasion been eye witness to
the awful results of strangulated rupture. Now
my apprehensions are all gone; my mind is
composed; and I can with joy to myself and
surprise to my friends, among whom is one of
our most eminent physicians, inform you that
I am cured—that my rupture has not shown
itself for two months. The bottle of wash you
gave me is all used up; and, if you think it
necessary to continue the use of it, I would like
you to send me some.

Mr. Jones who has made a trip to New
Orleans on purpose to have you fit him,
with a truss, was at my house on last Sun-
day, and is quite well pleased; says the
truss is so easy he sometimes forgets, he gets
it on, and is only convinced by feeling. He
now believes, although he was sceptical
when he got the truss, that his case is cur-
able, and that the truss and preparation you
furnished him on will cure it. I suppose
his faith is strength, assured by the present
condition of my case. If persons knew how
their sufferings were aggravated by the use
of the old fashioned, ill-fitting trusses, I am
sure they would never use them. The com-
fort derived, and the security felt in the use
of your truss, certainly ever balance all pecu-
niary considerations. With respect and
esteem, I remain yours, etc.,
E. W. WATSON.

P. S.—If this will benefit any one suffering
as I once suffered, by making it public
you have my consent to do so.

SHERMAN'S office for the fitting of his
Patent Truss, and the sale of his Rupture
Remedy, is 70, St. Charles, (sign of the

and number.

Two large Cancers, effectually cured, by

S. REYNOLDS,
123, Gravier street, New Orleans.

CERTIFICATE of cure from Captain C. N. Osterander:

"Dr. J. Reynolds, Sir—Having for many
years been afflicted with two large and in-
tractable Cancers, (one upon my right hand,
the other upon my left arm,) I sought in vain for
cure at the hands of our most experienced sur-
geons.
Hearing of your successful treatment of
Cancers, I determined to have the benefit
of your experience, and for this purpose came to
New Orleans, eight months ago, when I spec-
tacularly received relief, by your mild and effec-
tual mode of taking both Cancers out, without
the aid of the knife. The Cancer upon my
hand weighed over a quarter of a pound, that
on my arm, more than three quarters of a
pound, yet the new and healthy flesh took
their place so rapidly that I was entirely re-
stored to health in a few weeks.
As a token of gratitude for your able and
successful treatment of my Cancers, I volun-
tarily and this my testimony to your amon-
ous credulity, and trust that those effected
with Cancers may be directed to you, for a
speedy and effectual cure. Respectfully,
yours,
NATHANIEL OSTERANDER.

HEBREW PLASTER.

The great remedy for Rheumatism, Gout,
Pain in the side, hip, back, limbs, and joints,
scrofula, king's evil, white swelling, hard tumors,
stiff joints and all fixed pain whatever.

Where this plaster is applied, pain cannot
exist. It has been beneficial in cases of weak-
ness, such as pain and weakness in the stomach,
weak limbs, lameness, affection of the lungs in
their primary stages. It destroys inflammation
by perspiration.

The following commendation is from an
agent residing at Trenton, Tennessee:

Trenton, Gibson Co., Tennessee, Nov. 7, '48.
Messrs. Scovill & Mead.—Gentlemen: The
Hebrew Plaster is becoming popular in this
section. There is a lady in this county who
says she would not be without this Plaster
for five hundred dollars a year. She was
afflicted for some time with an enlargement
of the spleen, which gave her a great deal
of pain. The swelling and pain had extended
up nearly to the armpit, and occasionally she
could scarcely breathe. She was confined
for a considerable time, during which she was
attended by some of our best physicians, but
they gave her no relief. She procured a box
of the Hebrew Plaster, and it relieved her al-
most immediately, and now she keeps a sup-
ply of it on hand constantly. These facts you
are at liberty to use as you think proper—they
are substantially true. Respectfully, yours
JESSE J. WELLS.

Beware of counterfeits and base imitations.
Dealers and purchasers generally are cautioned
against buying of any but our regular agents
otherwise they will be imposed upon with a
worthless article, as many base counterfeits
of this Plaster are in existence.

Remember—The genuine is sold only by us
and our advertised Agents throughout the
South. No pedlar is allowed to sell it. In
future the genuine will have the signature of
E. TAYLOR, on the new steel-plate engraved
label on the top of each box: to counterfeit
which will be prosecuted as forgery.

WISTAR'S BALSAM.

OF WILD CHERRY.

The great American Remedy, for Lung
complaints, and all affections of the
Respiratory Organs.

THE BEST remedy ever known to
man, for Coughs, Asthma, Colds, Croup,
Bronchitis, Influenza, Bleeding of the lungs,
Difficulty of Breathing, Liver Affections,
Pain or Weakness of the Breast or Side,
First stages of consumption, &c.

REMARKABLE CURE.

Of all the cures that have yet been recorded,
there are certainly none equal to the one
first mentioned, which plainly shows the
curability of consumption, even in some of
its worst forms.

JEFFERSON COUNTY, Pa., Feb. 27, 1849.

Messrs. Sanford & Gents: This
is to certify, that my wife, Nancy Dononey,
has been in a declining state of health for
the last two years. Her disease baffled the
skill of the best medical aid I could procure
—her physicians pronounced her disease
"Consumption in the last stage," and said
that her recovery was past all human hopes.
As a last resort, with very little hope, I pro-
cured Wistar's Balsam of Wild Cherry.—
After using a few bottles, I found, to my
agreeable surprise, that her health was im-
proving rapidly. She is now so far recov-
ered, as to be able to attend to her regular
household duties, without suffering any in-
convenience. Her rapid improvement and
present health, warrant me in the belief that
she will soon be entirely restored.

RHODES DONOFRY.

To THE PUBLIC.—I, Jacob Green, of the
county, of Jennings, and State of Indiana,
do hereby certify, that in the early part of
last season, I was taken with a violent cough
attended with a pain in the breast, and some
times fever, and that I employed a skillful
physician for some time, who said he could
give me no relief. I then commenced using
Wistar's Balsam of Wild Cherry, and felt
almost immediate relief, and after taking
three bottles, I find myself in good health,
as I have enjoyed for a number of years.
My restoration, under the blessing of God,
I attribute to the use of the medicine above
named.

JACOB GREEN.

March 1st, 1849.

State of Indiana, Jennings county, I,
David T. Skinner, a Justice of the Peace
in and for the said county and State, do cer-
tify that the above named Jacob Green, sub-
scribed and made oath to the foregoing cer-
tificate, before me, this first day of March,
1849.

We would advise those of our readers
who are laboring under an affection of the
lungs, to make immediate trial of this truly
excellent medicine. The most intelligent
and respectable families of our city have ad-
opted it as a favorite medicine, and persons
predisposed to consumption, who have used
it, speak in the highest terms of its efficacy.
Beware of counterfeits and imitations
—symps, and all other preparations of Wild
Cherry. Remember, they only imitate in
name, not in virtue. Sold wholesale and
retail, by

JUDSON'S CHEMICAL EXTRACT OF

CHERRY & LUNGWORT.

FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of
Blood, Night Sweats, Asthma,
Liver Complaints, and

CONSUMPTION.

DO NOT NEGLECT IT.—Consumption can
be and has been cured in thousands of
cases by this only certain remedy, Judson's
Chemical Extract of Cherry and Lungwort,
and no remedy has ever before been discov-
ered that will certainly cure Consumption. The
most strongly marked and developed cases of
pulmonary consumption, where the lungs have
become diseased and ulcerated, and the case
so utterly hopeless, as to have been pronounced
by physicians and friends to be past all possi-
bility of recovery, and at times thought to be
dying, have been cured by this wonderful
remedy, and are now as well and hearty as
ever. It is a compound of medicaments which
are peculiarly adapted to and essentially ne-
cessary for the cure of Coughs and Consump-
tion. Its operation is mild, yet efficacious; it
loosens the phlegm which creates so much
difficulty, relieves the cough and assists na-
ture to expel from the system all diseased mat-
ter by expectoration, producing a delightful
change in the breathing and chest, and thus
after the prescriptions of the very best medi-
cal men and the inventions of kind and mer-
ciful friends and nurses have failed to give
the smallest relief to the consumptive sufferer.

Thousands of consumptive persons have been
deceived repeatedly in buying medicines that
were said to be infallible cures, but which have
proved only palliatives, but this medicine is not
only a palliative but a cure for ulcerated lungs.<
